## Grad

Our theme this year is History in the Making: Celebrating the 50<sup>th</sup> graduating class of KAHS. The music and decorating committees have been meeting and plans are coming along nicely. Graduation will be held on Thursday 30<sup>th</sup> June at Southminster United Church followed by a banquet at the Lethbridge Lodge.

A meeting will be held mid-May to vote on the personality award, valedictorian and food choices for the banquet. The price of banquet tickets will be \$35.00 each. This cost covers the cost of the meal, the church rental and the grad certificates each grad receives. Tickets will go on sale June 6<sup>th</sup>-10<sup>th</sup> at noon hour only. KAHS has made a deal with the Lifetouch photographers for grad photos. We are trying to make the ceremony run as efficiently as possible. Lifetouch has offered to provide each student with a 5 X 7 photo of them receiving their grad certificate. This will help to reduce the “log-jams” that sometimes result from parents and family members standing in the aisles as they try to capture a good photo of a fleeting moment. Lifetouch will do this. Not only that, but each student will also receive an 8 X 10 group photo that will be taken right after the ceremony. These (and the presentation photos) will be supplied to all students at **NO COST** and we will do our best

to have them available for pickup at the banquet.

A grad handbook has been printed with all of the information regarding grad, rehearsal, grad requirements etc. and is also available on the website.

Also, a reminder about grads getting their baby and hobby pictures in to Krizma Reid. They can email them to her Palliser email [krizma.reid@pallisersd.ab.ca](mailto:krizma.reid@pallisersd.ab.ca) or post them on her facebook wall. So far we have not had many submitted.

## Summer School at Victoria Park

Any students interested in completing summer diploma exam courses: Victoria Park High School in Lethbridge is offering English 30-1 and 30-2, Social Studies 30-1 and 30-2, Applied and Pure Math 30, and Biology 30. Please see Mrs. Tak for more information.

## Message From The Superintendent

As the school year nears an end, I want to take this opportunity to thank our parents, community groups and other stakeholders for their support of our schools across Palliser. This support comes in many forms, from organizing and volunteering at school events, providing work experiences for students, to simply taking an interest in the changing shape of education in Alberta.

As we look ahead to 2011-2012, Palliser has a challenge some would envy — to sustain the excellent results we’ve worked to achieve the past few years. We have to find creative ways to support our diverse student population, to meet a wide range of learning needs and styles and to continue on the path of inclusion and success for all students.

Through the hard work and professionalism of our staff and our student-centred focus, and with the support and involvement of our stakeholders, we will reach these goals. How can you get involved? Take an active interest in your child’s studies and the school. Attend a school council meeting. Talk to a

Palliser trustee. Visit the Palliser website for copies of our results reports, our education plan and our financial information. If you can't access our site, call our office and we'll get you information so you can see what's happening in our division. Thank you for being part of something big: The education of a next generation!  
Kevin Gietz, Superintendent

### **Outdoor Ed Trip to Alford Lake**

## **4<sup>th</sup> Annual KAHS Outdoor Ed. Alford Lake Camping Trip**

Kate Andrew's High School 4<sup>th</sup> Annual Outdoor Ed. Trip took place Wednesday, June 1<sup>st</sup> to Friday, June 3<sup>rd</sup> at the Alford Lake Conservation Facility near Caroline, Alberta. Participating in the trip this year was **David Ockerman, Riley MacKenzie-Grieves, Jordan Laturnus, Jared Cain, Tyson Wright, Keanna Lutz, Rachel Reimer, Myriah Marino, Shelby Barrus and Megan Lavoie**. Teacher **Mike Gibson** and classroom assistant **Teresa Neufeld** accompanied the students on the year end "practical" component that complimented their CTS theoretical classroom instruction. Sunshine greeted the students as they experienced the pressures of building a 3 minute fire, watching a signal fire being lit off in a distress situation, learning firearm safety and then having the opportunity to shoot .22 calibre rifles, .223 rifles and finally .12 gauge shotguns. A definite highlight of the trip was the trap shooting contest between the students. Smiles all around indicated that the students will have memories to cherish for a lifetime! On behalf of Mrs. Neufeld and myself, I would like to take this opportunity to thank the 10 students who took part in the 3 days for their unbelievable well behaved manners. **You represented Kate Andrews proudly!!!**

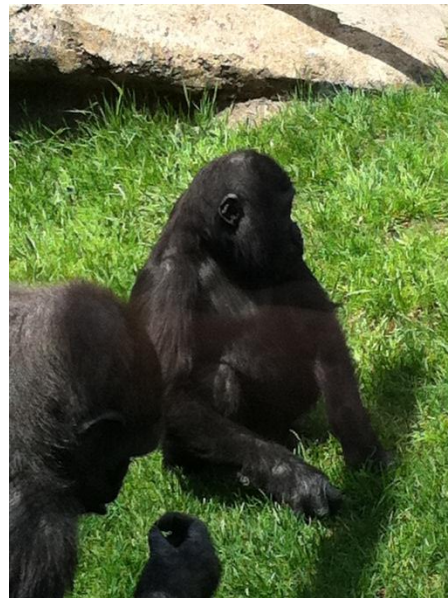

~Mr. Gibson~

### **Tourism and Art Field Trip to Calgary**

## **Tourism/Art Field Trip**

On May 31, 2011, Mrs. Netzel and Mr. Atwood took the Tourism class, along with some Art students, went on a field trip to Calgary. In Tourism, the students have studied Alberta Tourism and the Food and Beverage Industry as modules in the course. The Tourism class chose to take in the Titanic display at the Telus World of Science Center. This display offered a haunting account of the events, people and artifacts associated with the sailing and sinking of this monumental ship. From interesting quotes displayed around the exhibit, to age old playing cards found at the bottom of the ocean, to a real (but reduced in size) iceberg that students could even touch, students were impressed by the display and the touching stories that dipped into some of the

passenger's lives. They also had some fun creating "cool art projects" in the interactive "Creative Kids" section of the Science Center. "Lions and tigers and bears, oh my! Lions and tigers and bears, oh my!" The second half of the day was spent at The Calgary Zoo, an attraction the students begged to go to. We were lucky enough to have a beautiful afternoon and to see many of the animals out and about. Everyone enjoyed their time walking around the Zoo for the afternoon, engaging in the intrigue of the animals. The up-close encounter with the giraffes, the baby gorilla and the butterfly house seemed to have been among of the favorites. A little taste of Italy was next on the list as we ended our day with a delicious meal at The Olive Garden. Students enjoyed the Italian cuisine...a great meal to end an eventful day! These model students represented our school very well and made us all proud to be a part of the KAHS PRIDE!

## **BOOKS, BOOKS AND MORE BOOKS**

### **Library Books**

All library books must be returned by Friday, June 10<sup>th</sup> or as quickly as possible. If you have any new book suggestions please let Mrs. Wittebolle know.

### **CTS Textbooks**

If you are finished with the textbooks or duotangs for your CTS course you are more than welcome to return the books before exam week to Mrs. Wittebolle in the library.

### **Exam Textbook Returns**

When: Thursday, June 16<sup>th</sup> – Tuesday, June 28<sup>th</sup>

Where: Textbook Room (next to room 110)

Times: 8:30 – 9:00 a.m. and 12:30-1:00 p.m.  
(before each exam)

Why: Mrs. Wittebolle hunts you down and makes you pay if you don't return your books.

### **Student of the Month**

#### **May Student of the Month**

Our May Student of the Month is a wonderful young man with many interests and abilities. He has been an integral part of Kate Andrews

Pride football team. He played Tight End and Half-Back and was chosen as the Grade 12 Co-captain. He has received a number of football-related awards including Most Improved Player, Defensive Player of the Year, and league All-Star Defensive Back.

Since the age of nine he has been extremely involved in 4-H, with both the Coaldale 4-H Equestrian Club and the Coaldale 4-H Beef Club. Currently he is the secretary of the Lethbridge-Coaldale 4-H Beef Club. The list of 4-H awards that this young man has received is impressive! It includes 3<sup>rd</sup> place Top Showman, Top Sr. Showman, Reserve Grand Champion Steer, Grand Champion Steer, Top Regional 4-H Record Book Horse Project, and the 4-H Platinum Award of Excellence. He has also been awarded with a 4-H trip to the Northwest Territories as well as a trip to the 2011 Senior Members' Conference!

This young man's volunteer involvement in our community is impressive. At various times he has volunteered his time with organizations such as the Lethbridge Senior Centre, the Coaldale Food Bank, and the Lethbridge Regional Hospital Christmas Tree Gala. In addition, through 4-H, he has participated in roadside cleanups and has assisted 4-H members with their steer projects.

After graduation our May Student of the Month plans to attend Lethbridge College, where he will complete the 2-yr diploma course in Civil Engineering Technology. He will then continue his studies at university where he plans to earn a degree in either Engineering or Power Engineering Technology.

Please congratulate our May Student of the Month, Stuart Smith, son of Russell and Ginny Smith!

#### **June Student of the Month**

Our June Student of the Month is a young woman with many gifts and abilities! She has

been very involved in a number of different pursuits during her time at Kate Andrews. She played volleyball in Grade 9 and Grade 10, played basketball in Grades 9-12, and played softball in Grade 12. She sang in the Kate Andrews' choir and she acted in the Fall drama productions in Grades 10-12. Presently she is serving as Student Council Vice-President. The awards she has received at Kate Andrews' include academic honours, Grades 9-12, and Most Improved Player in basketball in Grade 10.

Music and theatre are the passion of this young woman's life! She is currently taking voice lessons and is working towards her Grade 8 voice exam. At this year's Kiwanis Music Festival she was awarded the Dorothy and Bud Frame Scholarship "For an Outstanding Female Vocal Competitor". In Grade 11 she enjoyed being a member of the cast of Lethbridge Musical Theatre's Production of *The Big River*.

Faith is very important to our June Student of the Month. Since Grade 7 she has attended youth groups at both the Mennonite Brethren church and the Mennonite church in Coaldale. For the past two years she has been a counselor at Crowsnest Lake Bible Camp and she plans to be on staff again this summer. For many summers she has also volunteered her time working with kids in Vacation Bible School programs.

After graduation from Kate Andrews our June recipient plans to attend Bible college for two years. She then plans to attend the University of Lethbridge, majoring in music or theatre. Upon completing her university degree she would like to work in the field of Ministry Arts. Please congratulate our June Student of the Month, Jennae Marriott, daughter of Stacey and Glenda Marriott.

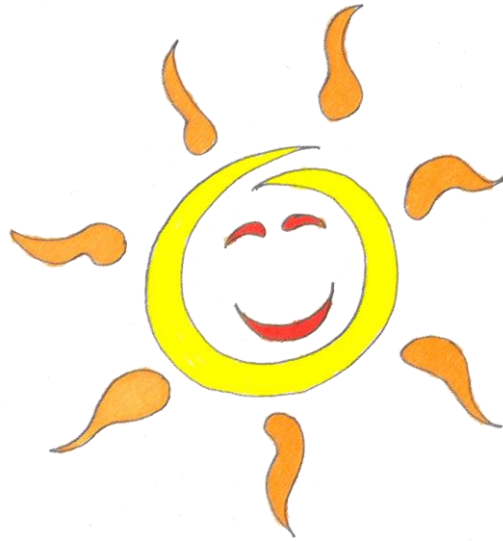

## **Insect Bites**

At best, insect bites are annoying. At worst, they can be dangerous. Mosquitoes and biting flies can carry disease. There are several ways to avoid insect bites:

- Wear long pants and long-sleeved shirts outdoors
- Avoid places where mosquitoes breed and live, like standing water
- Stay inside when mosquitoes are most active: sunrise, sunset and early evening
- Use insect repellent containing DEET, a chemical which keeps flies and mosquitoes away

Always follow the instruction on the label of the insect repellent.

For more information: go to [www.caringforkids.cps.ca/](http://www.caringforkids.cps.ca/)  
And search for insect repellents

**Have A Happy Healthy Summer!**

### Examination Rules

1. Students may not depart until **10:00 a.m.** (morning exams) and **2:00 p.m.** (afternoon).
2. Students arriving **AFTER** an hour has passed, may not write.
3. Students may not leave the exam room while writing without **supervisor accompaniment.**
4. There may be **no talking**, whispering or exchanging of information.
5. Students **may NOT discuss** the exam with a supervisor unless the booklet is flawed.
6. Students must **remain seated** while writing, and raise their hand if they require special assistance.
7. Students should know that Alberta Education uses computer technology to compare student answer sheets to ensure that students have “not inaccurately represented their performance.”
8. Students who interfere with security by **violating these rules** may
  - a. Be evicted from the exam room.
  - b. Have their diploma invalidated.
  - c. Be barred from writing for one year.
  - d. Have transcripts withheld for one year.
  - e. Have transcripts annotated.

# Calling All Students

Looking for a way to stand out as a leader in your community?

Looking for a way to give back?

Want to enhance your resume and give you an edge when applying to post-secondary school?

Want a free t-shirt?

**Then VOLUNTEER!**

Coaldale's annual Settler Days is looking for volunteers for Kid Zone on *Saturday, July 9<sup>th</sup>*. Volunteers are needed for many different things such as supervising various stations, face painting, blowing up balloons, as well as many other things!

Many employers and post-secondary programs look for extra-curricular activities when reviewing resumes. By showing that you have volunteer experience, it demonstrates that you take initiative in your community and are not afraid of leadership roles, giving you the edge over other applicants.

For a time commitment of five hours on July 9<sup>th</sup> (from noon to 5pm) and one meeting beforehand, you can reap all the benefits of helping out your community.

If you're interested in helping out, please call or email the Coaldale and District Chamber of Commerce.

Phone: 403-345-2358

Email: [info@coaldalechamber.ca](mailto:info@coaldalechamber.ca)

Thanks so much and hope to see you on July 9<sup>th</sup>!
