November 2009

Bob Bowman, coach of Michael Phelps, who won eight gold medals at the 2008 Beijing Olympics, said in an interview: "Successful people make a habit of doing things other people aren't willing to do. And that's our game here." – Bob Bowman

Remembrance Day Ceremonies

On November 11th Canadians wear poppies and gather at war memorials across the nation to pay tribute to those who died in war. At the 11th hour of the 11th day of the 11th month, the time the Armistice of World War I was signed in 1918, we all observe two minutes of silence to remember and honour those who gave so much. KAHS will be conducting our Ceremonies on Tuesday, November 10th starting at 10:40 AM. As with all assemblies at Kate Andrews, members of the community are openly invited to participate in this activity.

KAHS Drama Production is Underway!

Life In the Fat Lane

This activity is being coordinated by Jason Schilling, Nicole Higginson and Paige Hierath.

Cast List is as follows:

Lara Ardeche.....Rebecca Johnson
Molly Sheridan.....Beth Quinn
Karen O'Keefe.....Rosie Templeton
Mom.....Jenna Marriott
Jennie Smith.....Sarah Dyck
Jett Anston.....Ryan Utlalwilligen
Perry Jamison.....David Opinko
Max Cutler.....Matt Halma

The Chorus
Michelle Clark
Tannis Chartier
Katie Quinn
Hunter Angeleo

The play explores our perceptions of body image as we follow Lara Ardeche as she "puts on the pounds". *Life in the Fat Lane* explores, through humour, the pressures put on men and women alike to 'fit in', literally. The cast of *Life in the Fat Lane* are extremely excited to bring to life the characters of this play and look forward to presenting it November 24-27th in the Kate Andrews Theatre. Show starts at 8pm. (Ms. Higginson)

14th Annual Take our Kids to Work Day

On November 4, 2009, hundreds of thousands of Grade 9 students across Canada will spend the day at work, job shadowing a parent, relative, friend or volunteer host. Our own KAHS students will again join them.

The Take Our Kids to Work™ program was implemented by the Learning Partnership in 1994. Since that time, more than one million students and 75,000 workplaces have participated in the program.

The Learning Partnership is a not-for-profit organization dedicated to providing innovative programs for students in publicly funded education across Canada. Their mission is to nurture partnerships among schools, businesses, and communities devoted to strengthening our publicly funded school system; to encourage caring adults to share their ideas, talents, and resources with students; and to create learning opportunities that young people will find challenging and exciting.

Since 1994, Take Our Kids to Work™ has helped Grade 9 students connect school, the world of work, and their own futures. It has brought together parents, relatives, friends of families, teachers, and people in the workplace to contribute to the career development of young people. Through this program, businesses invest in the workforce of the future by helping students gain knowledge and understanding of the real world of work reinforcing the importance of a good education in our rapidly

changing workplace, sparking students' interest in their field of endeavour, and showcasing their workplace as a positive and supportive environment that makes a contribution to the community supporting career education. Their involvement in Take Our Kids to Work™ contributes significantly to the career development of young people.

Volleyball Coming to a Close

Fans are reminded that with November comes post-season action in volleyball. There's still time to catch some of the final league games before that action begins though. Check out the back page schedule and come on out! You won't be disappointed.

Annual Young Women's Conference

On Wednesday, October 14th, 10 female Kate Andrews students attended the YWCA Annual Young Women's Conference. This year's theme was the impact how advertizing impacts young women. The young women participated in lively discussions, they had an opportunity to "work out" and experience fun ways to exercise and were entertained by the "Desert Winds" belly dancing troupe. The history of where, when and why belly dancing started was shared with the young women to give them accurate information about this activity. Students from all over southern Alberta attended this event. (Mrs. Mutch)

ZZZZZZZ's - How Much is Enough?

Sleep isn't just "time out" from daily life. It is an important time for renewing our mental and physical health each day. The length and quality of sleep are both important. Younger children may need as many as 10 - 12 hours of sleep each night. Teens need more sleep than adults - close to nine hours per night. Most children and teens are not getting enough sleep. Poor teenage sleep may be contributed to by changing bodies, lifestyle choices, school and family responsibilities, peer influences and poor bedtime routines. Going to sleep and getting up at approximately the same times each day positively influence sleep patterns. Young children also need a regular routine that involves parent supervision most of the time. Avoiding television and video games an hour before bedtime may help.

Here is a suggested checklist for children and/or teenage sleep:

- Establish a regular, relaxing routine to unwind at night right before bedtime. This will help signal the body that it is time to sleep.
- Avoid all caffeine products including soda and chocolate, after about 4:00 p.m.
- Smoking is a stimulating drug - second hand smoke could contribute negatively to your child/teen's sleep.
- Avoid stimulating activities in the late evening such as heavy studying computer games, violent or frightening television shows, videos or books. \promote a calm famiy atmosphere surrounding bedtime.
- Do not encourage your child/teen to fall asleep while watching television or videos.
- Help encourage a regular exercise routine and healthy diet.

- Open blinds and let the light in first thing in the morning - it signals your brain that sleep time is over.
- If your teen goes to bed later on weekends, make sure he/she wakes up within two hours of his/her usual weekday wake time. If allowed to "sleep-in" on the weekends, your teen's body clock will be disrupted and waking up will be very difficult. Establish and maintain a consistens sleep-wake schedule.
- Encourage your teen to avoid napping. A short nap is ok if he/she is really sleep but limit it to 30 - 45 minutes.

Used Fitness Equipment

Here is a chance for you to get rid of some of that old fitness equipment that is cluttering your closet. We are looking for physioballs, (fitballs, swiss balls - whatever name you refer to them) hand weights and elastic tubing that you are no longer using. Please drop off any used equipment at the office.

The difference between a successful person and others is not a lack of strength, not a lack of knowledge, but rather in a lack of will.

Fall 2009 Magazine Campaign Wrap Up!

Another very successful fall Magazine Campaign is in the books and a huge thank you goes out to each and everyone of the following individuals for their combined efforts in selling and or buying magazine subscriptions during this year's Magazine Campaign, which ran from September 23rd to October 13th. Overall our sales were down from last year's numbers, but ultimately in the end a lot of money was raised for activities that take place here at KAHS. Thanks to one and all who participated!!!
