To get your Diploma Exam results you will need to register with Alberta Education through myPass. This is also how you will request highschool transcripts, so it is very important. There is a link to myPass on the KA website or you can go to mypass.alberta.ca.

myPass gives you access to your Diploma exam marks weeks before the KA office receives them. It also gives you access to many other important AB Education functions that are not available through highschools, so it is important to register as soon as possible.
