April Student of the Month

Our April Student of the Month is a young man with many wonderful qualities. According to Mrs. Spahmann, he has always been polite and very helpful. He has taken new students on school tours for her (and was willing to step in to do that as a last minute request), he hauls boxes anywhere she needs them taken, and he just basically helps out with whatever needs to be done, whenever she asks him. She says that he's very friendly and genuine with other students and is always as polite to them as he is to her and that was a pleasure for her to present his award.

One of this young man's teachers has nothing but great things to say about him. She says that he is a very polite student who always works hard, is kind to other students, and is overall a joy to teach! Another teacher speaks highly of this young man's work ethic and dedication to a job well-done in a timely fashion.

Sports are at the top of his list of interests. He played football for Kate Andrews in grade 10 and JV Basketball in grade 11. He has played rec soccer for 12 years and for the last 5 years has played for the Coaldale Thunder.

Volunteering is important to our April Student of the Month. He has helped collect food for the Coaldale Food Bank, he created a logo for the annual basketball tournament last year, and he volunteered for the Nobleford Community Activity Night once a week for a year.

Our April Student of the Month has a very creative side to him. He enjoys design and computer technology as well as some of our other CTS courses such as Electrotech, for which he received the highest mark in grade 10.

After graduation this young man plans to attend SAIT to earn a degree in their computer science program.

Please congratulate our April Student of the Month, Rayn Mar, son of Tanie Reid Walker and Dan Mar.

GRADS: Please send in a baby picture for the graduation slide show before June 4th to Nicolletta.roelofs@prs26.ca or Rachel.vanmaanen@prs26.ca. Grads should not be older than 5 years of age in these photos.

Drama Production News

Drama Productions - *I Hate Mothers and the Scheme of the Driftless Shifter*

Directing these one act plays has been a fun and entertaining process! For the first time in many years, Kate Andrews participated in the High School One Act Festival on May 1st at the University of Lethbridge. Attending this event was both challenging and inspiring. The cast and crew performed very well, with a few small glitches (the joys of live theatre) and two very successful performances. We received some really positive feedback from the adjudicator, and learned from her comments and suggestions.

We would like to also express our thanks to the parents of this cast. For those who showed an incredible amount of patience and flexibility throughout the rehearsal process – some of you probably felt like you hadn't seen your teenager in months! We're sorry . . . or you're welcome – whichever applies! Also, to the parents who made it out to the festival night, it was a long one. We truly appreciate your support and patience, especially at 11:30 p.m. on a weeknight, when it would be so much easier to go home than put up with dropping off set pieces and props!

We hope the school and the community enjoyed these two shows – they are both an amusing look at the other sides of theatre; the ones that aren't always easy . . . or glamorous! It's a good thing that we love it anyway.

Mr. Jason Schilling, Mrs. Kim Alexander-Schimpf

Graduation 2014 Information

We would like to inform you of the Kate Andrews graduation plans for the class of 2014.

GRADS:

Grad tickets will be going on sale starting Monday, June 2 through Thursday, June 5th. Committee members will get first dibs at the tickets and then grads with exemplary attendance. Tickets will only be sold at noon, in Mrs. Pritchard's room 202 upstairs. Tickets are \$35.00 each. Grads, you need to purchase a ticket for yourself and each guest attending. The Graduation Ceremony

The school organizes a graduation ceremony to recognize and celebrate the achievements of the graduating class. The graduation ceremony consists of two events - the convocation and the banquet.

To participate in the graduation ceremony, students must meet the following criteria:

- Have Kate Andrews as the official school of record.
- Have completed or be in the process of completing the necessary courses required to earn an Alberta High School Diploma, Certificate of Achievement, or Certificate of Completion by the end of June.
- Have completed the majority of the credits earned during their grade 12 year at Kate Andrews High School.
- Have completed 75% of their coursework in any Distance Education, Correspondence, Work Experience, Special Projects, Music by Private Study, or Pass+ Courses by June 1st.
- Have all outstanding school fees and sports fees paid by June 1st.
- Have returned all textbooks and materials to the school.

In March, a letter was sent out to parents explaining whether or not their child is eligible to participate in the graduation ceremony and whether or not their child is on track to receive an Alberta High School Diploma, Certificate of Achievement, or Certificate of Completion in June of 2014.

A student who is eligible to participate in the graduation ceremony may participate in the following:

- To be introduced at the convocation.
- To receive the graduation scroll at the convocation.
- To be included in the graduating class group photograph.
- Purchase tickets for the banquet.

A Grade 12 student who has Kate Andrews as the official school of record but does not qualify for the graduation ceremony may not participate in the activities listed above. However, that student can have an individual graduation photograph taken that will be included in the class collage that is displayed in the school hallway. This student may, at the discretion of the Principal, also purchase tickets to attend the banquet.

Convocation Ceremony

Eligible students must be at Southminster United Church by 1:30 PM on Friday, June 27th. Ceremony starts at 2:00 pm.

No tickets are required for spectators - admission is free to all.

A professional photographer will be on hand to take individual photographs as each student receives their graduation scroll.

The graduating class group photograph will be taken immediately following the ceremony. The individual and group photographs will be provided to each eligible graduate free of charge. The photographers will do their best to have both of these photos ready for the grads to pick up at the Banquet.

Banquet

The banquet will be held on Friday, June 27th at 5:30 pm at The Lethbridge Lodge.

A ticket to the banquet must be purchased for each person attending.

All graduating students who are attending the banquet must meet upstairs by 5:15 PM.

Students will be arranged alphabetically by last name and individually introduced to those attending the banquet.

If any of your banquet guests require a special meal, please indicate this when you make your ticket purchase.

Ticket sales will be during the noon break in Mrs. Pritchard's room starting on June 2nd and ending on June 5th. Tickets will only be sold at noon from 11:45 to 12:30.

The cost of each ticket is \$35. This cost helps to cover the meal and gratuity, decorations, and grad booklets.

On the first day of ticket sales, Graduation Committee and Decorating Committee members will have first choice of tickets and seating followed by students with exemplary attendance.

All other tickets will be sold on a first come, first pay basis, which will determine where one sits at the banquet. Each student will be allowed to purchase up to a maximum of 6 tickets initially.

Once all students have had a chance to purchase 6 tickets, more tickets may be purchased if space is available.
